

JESSUP MANUFACTURING COMPANY

TERMS AND CONDITIONS OF SALE

CONTROLLING PROVISIONS: Jessup Manufacturing Company ("Seller") expressly limits acceptance to the terms and conditions ("Terms and Conditions") contained herein, and these Terms and Conditions are the only terms and conditions under which Seller agrees to be bound. Unless Seller otherwise agrees in writing, these Terms and Conditions shall be applicable to all quotations, agreements, purchase orders, acknowledgement forms, invoices, references to Seller's website, and sales of all Seller's products and services to you ("Buyer").

All terms and conditions contained in any prior oral or written communication, including, without limitation, Buyer's own purchase order form, which are different from, or in addition to, these Terms and Conditions are hereby rejected and shall not be binding on Seller, whether or not they would materially alter this document, and Seller hereby objects thereto. All prior proposals, negotiations and representations, if any, are merged herein. Seller's acceptance of any order is subject to Buyer's assent to all of these Terms and Conditions, and Buyer's assent to these Terms and Conditions shall be conclusively presumed from (i) Buyer's receipt of these Terms and Conditions without prompt and specific written objection thereto in correspondence (not in a pre-printed form) directed to an officer of Seller, or (ii) from Buyer's acceptance of all or any part of the products, goods and/or services ordered.

Products furnished and services rendered by Seller are sold only on the Terms and Conditions stated herein. If Seller has offered to sell products and/or services pursuant to a quotation form, Buyer is hereby notified that acceptance of such an offer is expressly limited to the Terms and Conditions stated herein. Buyer may submit orders to Seller on Buyer's own purchase order form as a convenience only. Any submission of a purchase order by Buyer will be deemed an acceptance of Seller's offer to sell pursuant to a quotation prepared for Buyer or otherwise. Buyer's acceptance of or payment for all or any part of the products, goods and/or services described in such a quotation form shall also be deemed an acceptance of Seller's offer, including all of the Terms and Conditions stated herein.

If Buyer's purchase order should be construed as an offer to purchase rather than an acceptance of any offer to sell, then Buyer is hereby notified that Seller's acceptance of any order from Buyer is expressly subject to Buyer's assent to each of the Terms and Conditions set forth herein (whether delivered in connection with Seller's quotation form, acknowledgement form, invoice, reference to Seller's website, or otherwise); and Buyer's assent to these Terms and Conditions shall be conclusively presumed from (i) Buyer's receipt of these Terms and Conditions without prompt and specific written objection thereto in correspondence (not in a pre-printed form) directed to an officer of Seller, or (ii) from Buyer's acceptance of all or any part of the products, goods and/or services ordered.

If Buyer's purchase order or other correspondence contains terms and conditions different from, contrary to, inconsistent with, or additional to the Terms and Conditions contained herein, then Seller's action in filling any order received from Buyer, or Seller's confirmation of the quantity, price, and delivery terms stated on Buyer's purchase order (in an acknowledgement, invoice or otherwise), shall not be construed as Seller's assent to any different, contrary, inconsistent or additional terms and conditions, or as Seller's waiver of any of Seller's Terms and Conditions as stated herein. Any reference to Buyer's purchase order noted on a Seller acknowledgement, invoice or other form, or correspondence delivered from Seller to Buyer shall not override, limit, or affect in any way the applicability of these Terms and Conditions.

STANDARD TERMS OF PAYMENT: Buyer shall pay all amounts due for products purchased hereunder in cash within thirty (30) days from the date of Seller's invoice, provided that in the event Seller reasonably deems Buyer's financial status unsatisfactory or Buyer is in default of any obligation of Buyer to Seller, Seller (without prejudice to any other rights or remedies it may have) may require payment in full in cash of all amounts payable to Seller by Buyer under Seller's invoice or otherwise prior to shipment of any products thereunder. Buyer shall pay an additional interest and service charge in the amount indicated on Seller's then current applicable price list or, if none is so indicated, in an amount equal to one and one-half percent (1.5%) of the unpaid balance per month (or portion thereof), or if less, at the highest interest rate permitted by applicable law, accruing from the applicable due date. Buyer shall not withhold or set off from any amounts due to Seller, any amounts claimed to be owed by Seller to Buyer for any reason whatsoever.

PRICES; SHIPPING CHARGES. The prices for all products purchased hereunder will be the price on Seller's price list or quote estimate as in effect on date of shipment. All prices are based on quantity indicated and, unless otherwise indicated on Seller's acknowledgement and/or invoice, are F.O.B. the location from which products are shipped. All shipments shall be made to one location. Unless otherwise indicated on Seller's acknowledgement and/or invoice, Buyer shall pay, and be exclusively liable for, all costs of shipping, delivery, insurance and the like after the Seller has affected delivery of the products to the carrier. Any and all dies, tools or other equipment used to produce products hereunder shall remain Seller's exclusive property, notwithstanding any charges relating to such dies, tools and other equipment reflected on Seller's invoice. A one time engineering and development cost may be assessed for custom tooling.

TAXES. Prices do not include any tax or other governmental charge or assessment on the sale, shipment, production or use of any products sold to Buyer hereunder. Such taxes and charges, when applicable, may appear as separate additional charges on Seller's invoice. Buyer shall be solely responsible for, and shall pay to Seller upon demand, any such tax, charge or assessment, unless Buyer has furnished to Seller an appropriate valid certificate of exemption issued by or acceptable to the tax authority in question.

DELIVERY. Delivery of all products sold by Seller to Buyer hereunder is F.O.B. the location from which such products are shipped. Seller shall make a commercially reasonable effort to effect shipment on or before the scheduled shipping date(s) reflected on Seller's acknowledgement and/or invoice, but such schedule may vary due to, among other things, conditions beyond Seller's reasonable control, including, but not limited to Seller's receipt of all materials and information to be supplied by Buyer. If no shipping date is specified, shipment will be made on date(s) selected by Seller. In no event shall Seller be liable for any damages or penalties for delay in delivery or for failure to give notice of delay. Delivery may be made in advance of any scheduled delivery date upon reasonable prior notice to Buyer.

PACKING AND SHIPMENT. Unless preferred packing method is noted on Seller's acknowledgement and/or invoice, all items will be packed for shipment in accordance with Seller's standard practices. Unless otherwise specified on Seller's acknowledgement and/or invoice, Seller will ship by a commercially reasonable method, but by doing so does not assume any liability in connection with the shipment. Any and all claims by Buyer for damage or loss of products in transit shall be made by Buyer against the carrier. If requested by Buyer, transportation charges and insurance will be prepaid to the invoice as a separate line item.

TITLE. Title to all products sold by Seller to Buyer shall pass from Seller to Buyer when such products are delivered by Seller to the carrier for shipment to Buyer; however, if Buyer should fail to pay when due any amount Buyer owes to Seller on account of such products, Seller shall have, in addition to any other rights of Seller, the right (without liability of Seller) to repossess such products or to require Buyer to effect (at Buyer's expense) return delivery of such products to Seller.

SECURITY INTEREST/SETOFF. Until Buyer has paid to Seller all amounts due to Seller in connection with all products purchased hereunder, Seller shall retain, and Buyer hereby grants to Seller, a security interest (i) in all such products now existing or hereafter acquired in the amount of the full purchase price, plus all other amounts due hereunder, and all costs of collection incurred by Seller (including but not limited to court costs and reasonable attorneys' fees), (ii) in all proceeds thereof as defined by the Uniform Commercial Code ("UCC") as adopted in the State of Illinois, United States of America, (iii) in all accounts receivable arising from the resale of any of Seller's products by Buyer, and (iv) in all materials supplied by Buyer to Seller for use in connection with the production of Seller's products for Buyer. Seller shall retain all rights and remedies of a secured party under the UCC as in effect at the time of delivery of such products. This grant of security interest is made to secure payment of all debts or liabilities and performance of all obligations of Buyer to Seller, whether such debts, liabilities or obligations are now existing or hereafter arise and whether direct or contingent. Seller shall have the right to file a financing statement or chattel mortgage in order to perfect Seller's security interest. Buyer agrees to execute all instruments and perform all acts which may be deemed necessary by Seller for the creation, perfection and protection of such lien and security interest. In addition to any other right or remedy of Seller at law or in equity, Seller shall be entitled to set off and retain all monies paid (including but not limited to credits, monies, or balances owed to Buyer or any affiliate of Buyer with respect to any transaction between Buyer and Seller) and to apply same to any amounts owed to Seller, as Seller in its sole discretion shall deem appropriate. In the event Buyer shall fail to make payment when due for purchases, Buyer agrees to pay all of Seller's costs of collection, including reasonable attorneys' fees, costs, and expenses.

RISK OF LOSS. Seller assumes no responsibility for delay, breakage or damage to products after having made delivery in good order to the carrier. All risk of loss of or damage to products shall be assumed by Buyer upon Seller's delivery of such products to the carrier for shipment to Buyer. Any and all claims by Buyer for damage, loss or delays in transit shall be made by Buyer against the carrier (with written notice thereof to Seller), and Seller shall have no responsibility or obligations with respect to any such damage, loss or delay. Buyer shall carry out all customs formalities and bear all of the costs and risks resulting therefrom.

INSPECTION BY BUYER. Buyer shall carefully inspect all deliveries of products as they are received by Buyer and report to Seller promptly (but in any event within ten (10) calendar days after receipt of shipment) any alleged error, shortage, defect or nonconformity of such products. Any failure by Buyer to timely inspect and timely report shall constitute a waiver by Buyer of any claim or right of Buyer against Seller arising with respect to any error, shortage, defect, or nonconformity. Buyer shall conduct any required inspection at its expense and shall return any nonconforming products to Seller with said 10-day period at Buyer's sole expense and risk.

CANCELLATION. Buyer's order shall not be cancelled, changed, reduced in amount, or suspended, in whole or in part, without the express written authorization of Seller (which authorization shall be in Seller's sole discretion). In the event that Seller authorizes Buyer's request for a cancellation, change, reduction or suspension of all or any portion of Buyer's order, Buyer may be charged an amount equal to 10 percent of the portion of the original order value that was cancelled, changed, reduced or suspended.

RETURNS. No returns shall be accepted without express written authorization of Seller (which authorization shall be in Seller's sole discretion). In the event that Seller authorizes Buyer's request for a return, the returned products shall be shipped to Seller in original condition, in full case quantities only, freight prepaid by Buyer, and at Buyer's sole risk and expense. Buyer shall be charged a restocking fee equal to 10 percent of the original order value for each returned product. In no event will Seller consider returns for products shipped greater than 30 days prior to the request for return.

Seller warrants to the original Buyer of the Seller's products (and not to any subsequent owner or user) that products manufactured or sold by Seller is free from defect in material and workmanship at the time of purchase and for one (1) year from the original date of purchase when the product is used under normal conditions for its intended use and when properly installed in accordance with Seller's instructions.

Seller shall not be deemed to have waived its position hereof, or any breach by Buyer of any provision hereof, unless such waiver is specifically set forth in writing and executed by an authorized officer of Seller. No waiver by Seller of any provision hereof or any breach by Buyer hereunder shall constitute a waiver of such provision on any other occasion or a waiver of any other breach by Buyer.

FORCE MAJEURE. In no event shall Seller have any liability to Buyer for any delayed performance or nonperformance by Seller, which results, in whole or in part, directly or indirectly, from any cause beyond the reasonable control of Seller. CUSTOM PRODUCTS. This Section 19 applies to Custom Products. A "Custom Product" is any product not in Seller's standard price list. To the extent that the provisions of this Section 19 ("Custom Terms and Conditions") conflict with, are different from, or are in addition to any of the other provisions of these Terms and Conditions, the Custom Terms and Conditions shall prevail. Except as otherwise set forth in this Section 19, all other provisions of these Terms and Conditions shall apply to Custom Products.

Buyer represents and warrants that any and all materials or other items furnished by or on behalf of Buyer to Seller for use in connection with production of Seller's products will be Buyer's exclusive property, free and clear of all liens, claims and encumbrances whatsoever. Buyer shall bear all costs of delivering such materials and items to Seller's production facility. Depending on the work to be performed, the set up charge shall range from \$150.00 to \$350.00, which shall be subject to increase at the Seller's reasonable discretion. All trial orders shall be charged a rate of \$400.00 per hour, which shall be subject to increase at the Seller's reasonable discretion.

Cancellation. Buyer's Custom Product order shall not be cancelled, changed, reduced in amount, or suspended, in whole or in part, without the express written authorization of Seller (which authorization shall be in Seller's sole discretion). In the event that Seller authorizes Buyer's request for a cancellation, change, reduction or suspension of all or any portion of Buyer's Custom Product order, Buyer may be charged an amount equal to 10 percent of the portion of the original Custom Product order value that was cancelled, changed, reduced or suspended, plus all costs and expenses incurred by Seller in connection with the portion of the original Custom Product order that was cancelled, changed, reduced or suspended (including materials, labor and overhead).

The United Nations Convention on Contracts for the International Sale of Goods shall not be applicable to these Terms and Conditions or any purchase or sale made hereunder.

The invalidity or unenforceability, in whole or in part, of any provision, term or condition hereof shall not affect the validity and enforceability of the remainder of this provision, term or condition or of any other provision, term, or condition, and to the extent possible, such invalid or unenforceable provision shall be replaced by a provision most nearly reflecting the fundamental objectives of the original provision.
